

Thoughtful. Sensible.
Approachable.

1

Meet with the Team

Meet the builder
Discuss your needs/wants
Preview home plan options
Collaborate to design your dream

HIGHLIGHT - From the start, you are working with the Builder, directly.

2

Develop a Plan

Meet with the builder
Make adjustments to your floor plan
Repeat meeting and adjustments until you are satisfied with the end product

HIGHLIGHT - A solid plan leads to a home that suits you, personally.

3

Select your Finishes

Meet with your design selections coordinator
Set up your online Selections account
Get your Selections App
Select the finishes that fit you

HIGHLIGHT - Use of a central platform for all selections streamlines communication and the selections process.

4

Watch Your Home Grow

See your home come to life
Communicate with the team as the process unfolds

HIGHLIGHT - Direct communication with the Builder and his team ensures your home's done right.

5

Welcome Home!

Complete a walkthrough of the home to identify touch-ups
Close on your home
Move into your new home!
Relax knowing your home is covered with a home warranty

HIGHLIGHT - Direct communication with the builder and his team continues even after you're in your new home.
